Humeii Rogue (Late, dark crimson) \$1.25 "

Old Tige(Mid season)grizzly pink) .50 "

Over one hundred fifty cent varieties and many others in various shades colors and prices.

THE PEONY GARDENS Ten miles northeast from Hastings Twenty south from Grand Island Herbert F. Warren Trumbull, Nebraska Mar., 18, 1940. Ar. H. P. Sould Washington D. E. Dear Heighbor: I thank you for letter of Mar, 9. with request to have the department address permanently on my mailing list. This is done and enclose my In do not do much is, the catalogue line. Depend mostly on getting 1940 list as desired. erowds here to enjoy the gardens free of charge and let folk see for themselves the many new varieties which I cannot justly describe. I have spent the most of a lifetime originating new varieties and have a lot of them covering about a dozen Tould be pleasent if you could see

## 1935 WELCOME & 1940 TO THE PEONY GARDENS NOW BLOOMING

#### 10 miles northeast from Hastings, 20 south from Grand Island. Address, Trumbull, Nebr.

Will it ease your cares a little, sponsor in your heart a joy;

Lend a trifle of sweet pleasure to your little girl or boy,

To rove o'er the hills and vallies 'mong the flowers

and the trees;

View the blooms and smell the fragrance wafted on the soft June breeze?

Then we'll bid you come and welcome to enjoy the season's bloom,

That proclaims Christ's resurrection from the darkness of the tomb;

View the iris' silken luster in their many rainbow hues.

Wear your calicos and dusters and your old every-day shoes,

For the fields are soft and mellow where the peonies nod and sway.

Bring your dinner if it pleases you and enjoy the grounds all day.

Should you wish to gather flowers to your dining table grace;

Take home in a jar of water; you may cut them any place.

Our old price will be our new one; just a nickel for a stem.

Ten to twelve inch is the best length to preserve the life of them;

But you're welcome to enjoy them tho you wish or not to buy.

Short the season of their beauty and it soon will be passed by.

Respectfully yours,

Usually in bloom the first week in June Herbert J. Warren.
